

Old Colony Beach Club Board of Governor's Meeting Minutes

Wednesday October 13, 2023

Location: 41 Old Colony Road & ZOOM

Called to Order: The meeting was called to order at 6:31

Roll Call: Douglas Whalen, Janet Montano, Steve Humes & Les Webb attended 41 Old Colony Road. Kristina Wilson, Nancy Zimmerman, Mary Calafiore on Zoom.

Approval BOG Minutes: Motion to accept the minutes of BOG meeting on 8/9/23. (Humes/Webb). Motion passed 6 in favor 1 abstain.

Treasurers Report: See attached treasurers report.

Action item updates: There was no action taken on action item updates.

Correspondence:

- Doug Whalen received an Email from Frank Maratta requesting the Board take action on the flooding of the street after a storm.
- Doug Whalen received a letter requesting to regulate large tents being installed on the beach (Pictures were included).
- Doug Whalen received a letter from Town Zoning regarding the golf cart pad.
- Janet Montano received a letter from Andrea Lombard regarding the WPCA

Committee reports:

Chairman- Working with the WPCA on the sewer project otherwise he had nothing to report as topics are on the agenda.

Treasurer- Put the 22 Hartung deeds in the safe deposit box. Last day Lunches for guards was questioned, a motion was made to approve the expense for lunches for the last day for the guards (Humes/Webb) motion passed 7-0. Second motion was for the Chairman or public safety director to be approved to use their discretion in providing lunch for the guards on the last day of service. (Humes/Wilson) motion passed 6-1.

Clerk- Nothing to report.

Tax Collector- there are 5 outstanding taxes left. We have collected \$186,844.46 and interest of \$115.76

Recreation- End of season nothing to report. Will plan on Summerween and 4th of July parade for next year.

Public Safety- nothing to report.

Public Works- Beach cleaning contract is up and Les asked for Anthony to provide us with a quote for next year.

Election of Officers- motion to add election of officers to the agenda (Whalen/Humes) Motion passed 7-0.

Board members in all the positions except Clerk agreed to keep their positions. Mary Calafiore agreed to step in as clerk. Motion to keep all the positions the same and add Mary Calafiore as Clerk (Whalen/Montano) motion passed 7-0.

WPCA Report: WPCA is working on additional funding for the sewer project more to follow. WPCA is working on renewing contract with New London to provide treatment of our effluent at the New London Facility, original contract expired on September 1, 2023.

Sheffield Brook Outlet Drainage Sub-Committee report: Steve Humes is heading up the committee, Ramboll engineering firm is providing review and information to fix the problems with the outfall collecting sand that causes the pipe to stop flowing. Ramboll is also looking into funding sources to help pay for the fixes needed to provide a good flow for Sheffield Brook.

Old Business:

Approve the 2023/2024 project list.

- **Sewers for OCBCA-** This project is still an active project monitored by the Old Colony Beach WPCA & Chairman. The responsibility of the sewer program will stay with the WPCA.
- **Easement area brush cutdown-** The federal government (NRCS) has allowed us to cutdown the brush every 2-3 years. We will be cutting it down this winter between November-January. Cutting down the brush in this late season allows for more wildflowers to seed and grow the next spring/summer. OCBCA will move this 3-year project to every 2-years. Motion to cut down easement area overgrowth. (Humes/Webb) motion passed 7-0
- **Gorton & Hartung flooding issue:** The BOG will be looking into a temporary fix to the flooding during major rainstorms. A permanent fix is included with the sewer project with storm drains being installed

from Purtil to Hartung and discharge out Sheffield brook. No motion made but further review needed.

- **Handicap access to Old Colony Beach:** The BOG is looking into having a 7'-8' area of concrete pad as a sitting area for wheelchairs and benches. A Mobi-Mat is being investigated so wheelchair access will be available onto the beach. This is a mat that will be stored in a container and be available to spread-out onto the beach so wheelchairs can go onto the beach. Continue to review it and have a purchase by next summer.
- **Beach Sand prevention program:** Every year there is a lot of sand that accumulates on the Association roads from the three beach entrances. The BOG will be trying out a prevention program and will be placing 2' construction fencing the full width of each entrance (Old Colony, Breen, Gorton) to keep the winter winds from blowing sand onto our roads. The fencing will be placed far enough away from the entrance so residents can still access the beach by walking around the black fencing. Already purchased and will be installed this fall.
- **Review of one-way streets in OCBCA:** The BOG will be looking at the one-way streets that were established years ago when the beautification committee recommended having Grove & Maple one way. This will be discussed at this meeting.

Palm Tree ordinance review: The following ordinance was reviewed by the BOG at this meeting.

Ordinance 5.2 Palm Trees on Beach Property- The reason for this ordinance is to control the planting of palm trees on Association Property. Under section 8 of the charter, the BOG is charged with promoting the planting of trees/shrubbery and other work leading to the improvement of the general appearance of the community.

OCBCA will allow the planting of palm trees on Association beach property at the sole expense, care, and responsibility of the property owner. The palm tree will be in a container that will be buried in the sand and may not extend greater than five feet (5') from the owner's property line onto Association property. The owner of the lot wishing to plant a palm tree on association property will file a "Palm Tree Application" to the BOG listing the owner's name, address, phone number & location of the palm tree. The owner will also include any additional items associated with the palm tree. The application will also require the owner to take full responsibility of the palm tree and associated items. The palm tree may be installed no earlier than

May 1st and be removed no later than November 1st. The palm tree and any additional items associated with the palm tree will be monitored and maintained by the property owner. The property owner will remove the palm tree and any associated items no later than November 1st or if the palm tree dies, becomes unsightly or is damaged.

Motion was made (Whalen/Humes) motion passed 7-0

What website documents will reside on the public or private side of the website- no action taken will address next month.

Roadway review of one-way streets- a State of CT document regarding roadway widths was discussed and the roadways that are one-way were measured. Grove is 17 feet wide, and Maple is 14 feet wide. No motion as the Association needs to get stop signs and poles before the motion is approved. Most of the board agreed that we should make them 2-way.

State approved stop signs- a 24" & 18" stop sign was reviewed at the meeting and all approved 18" is the size to go. The only regulation is the sign must be visible for 100" and self-illuminating. Motion to approve the 18" self-illuminating stop sign for future use at OCBCA (Whalen/Humes) motion passed 7-0

Winter snow plowing contract- contractor raised his rates to 5% from last year's rate. Motion to approve contract (Whalen/Webb) motion passed 7-0

Association maintenance assistance- Doug was sending out a notice to see if there is any contractor we could have on retainer or on call to do odds & ends jobs in the association. This would not be an employee and only for projects outside the scope of what the board members already do for the association. Janet Montano stated there are a lot of members that have volunteered to do projects in the Association, and we have not pursued that to date. Recommended to put a list together of projects needed in the community and ask for volunteers.

Public Comment- Large tents or cabanas on the beach- A resident asked to regulate the size of the tents. All the board members discussed it and looked at the pictures submitted. It was a consensus that this is a hard item to regulate along with a complaint that people put many chairs on the beach in the early morning but do not come down until late afternoon. The Board took no action on this except to discuss it at future meetings.

A person asked about “no smoking on the beach”- the board will be waiting to receive a letter requesting that the Board have an ordinance to ban smoking on the beach.

Next meeting schedule- October 11, 2023 Location TBD

**Motion to adjourn the meeting (Montano/Humes) motion passed 7-0
adjourned at 7:45**
